I'M AVAILABLE...

...TO YOU as someone who's been through it all already – having had to endure some very closed-minded people and hostility along the way – that will always be approachable in College to chat about anything that might be on your mind, whether it be LBGT welfare-related or JUST BECAUSE YOU FANCIED IT. Sometimes it's not always easy to be yourself, and as someone sympathetic, understanding, loyal and FUN, being

the representative in College of anyone who identifies as LBGT is my priority.

I'll also organise lots of social fun-times for us all – that includes plenty of LBGT swaps and a DOWNING SUPERFORMAL at some point!! – since we definitely need to spend our budget on something. If you plan on going to Rendezvous@Revs on Tuesdays then you're also invited to PRE-DRINKS & GAMES in my room beforehand! Hey – you know we can be fabulous
