

Vote Ed for LGBT Officer!

Hi everyone! My name is Ed Ball, and I'm running for LGBT Officer! I believe that welfare is an integral part of being an LGBT rep and it is my aim to ensure all LGBT members of college to feel accepted and comfortable in their own skin, and for Downing to continue to be such an accepting place. To help improve this further, I will seek to extend social opportunities for Downing's LGBT community.

Welfare:

It is my intention to offer a sympathetic ear, and to represent all LGBT viewpoints in college. I would like to work closely with the welfare officers, and to extend welfare teatime to include LGBT welfare more specifically!

Social:

I intend for the Downing LGBT community to have regular social occasions, such as a weekly or fortnightly gathering - either for a relaxed chat or for a night out! To this end, I aim to organise swaps and extend links with other colleges' LGBT communities. I want Downing's LGBT members to feel proud of who they are, and to help find like-minded people from outside of Downing.

So why should you vote for me as your LGBT rep?

- I will provide a strong peer support system and extend welfare
- A greater social scene and better links with other colleges
- My approachability and my enthusiasm to make Downing LGBT better!

I would relish the opportunity to be LGBT rep, so please vote! Any questions, I am happy to answer. Drop me an email at eb454@cam.ac.uk or see you at hustings!

Many thanks!
