

Services Officer

Samantha Hawley

As your representative, I would aim to be both an approachable contact for the student body and an efficient advocate within the college for the repair of all those leaky showers, broken radiators and slamming doors that annoy you the most when you want to devote time to more important things, be it supervision preparation or getting ready for a night out!

Not only would I help you with your individual issues, I would also endeavour to enhance some of the things which affect ALL of us—

- Improving the laundry facilities
- Ensuring more standardised kitchen amenities
- Promoting better use of communal college areas

I would be delighted to liaise with the College on any issue which YOU feel needs to be addressed—suggestions are always welcome - please feel free to email me on spdch2@cam.ac.uk –and be your friendly, frank (and, if needs be, fierce!) facilities manager.
