

DAN SELLMAN FOR SPORTS OFFICER

Hi I'm Dan and I would like to be your Sports Officer for the upcoming year. I am a second year Economist, which means I will have loads of time in which to cater to your sporting needs.

WHY ME?

- Having represented the college at Athletics, Football, Tennis, Mixed Netball (once!), X-Country and almost Rugby (too scared to go on). This means I have **ties to plenty of Downing Sports**.
- I am **friendly and approachable** as demonstrated when being a Frep last term
- Will be there **on demand** to any requests you may have

- As Sports officer I will try and provide greater links between captains of teams. I want it so that all societies know the results of all other societies and this may in turn raise support and appreciation of sports we don't necessarily play in.
- I also would like to start a system so that former Downing members can leave us contact details in order to set up more Old Boys/ Girls fixtures like I know happens in the Football and Rugby club
- Finally, some of the equipment in the Porters Lodge is tired at best and so I would like to renew this in order for more enjoyable usage.
