

HATTIE GIBSON for VICE PRESIDENT

SUITABILITY

- √ As Head of CCF and a Prefect at school, I have good **experience** of the day-to-day running of an academic community and in decision-making to represent the student body.
- √ Being a Captain of Hockey at Downing demonstrates my ability to **plan** and **organise** practices each week and to **motivate** other students. These skills will enable me to schedule JCR meetings easily and run the ballot.
- √ Being a University sportswoman has helped me to **manage my time effectively**. It has also instilled a sense of loyalty in me to the University as a whole, which motivates my interest in CUSU. The VP's participation in CUSU council is integral.
- √ Working behind the **Bar** gives me an opportunity to be easily **recognised** and **accessible** to any member of the JCR.
- √ My role as a **F'rep** shows my ambition to make life easier for those at Downing. My commitments as a Choral Scholar and as founder of the Jazz Band also credit my passion for Downing!

AIMS

I will continue Ali's endeavours to increase **attendance** and **involvement** at JCR Open Meetings.

I aim to **raise awareness** of **CUSU campaigns**, rising tuition fees, the 'Right to Light', the 'Exams Campaign' and the 'Shadowing Scheme'.

I aim to **highlight** and **improve** the problematic areas of our student lives such as accommodation costs and standards, heating times and improve storage over the holidays.
