

LAUREN CROWE

For
**JCR Services
Officer**

WHY ME?

I am friendly, **reliable** and involved in lots of Downing activities, including working in the bar and being a secretary for the Maitland History Society.

I am very **organised** and already have experience dealing with different departments and staff in college to organise events and get stuff done.

Also, as a history student, I have **lots of free time** to deal with any service problems you might have.

I have lots of **great ideas**, like:

- Update the room database on the JCR website with new photos and corrections
- Up-to-date slops and formal hall menus and prices
- Better and more secure space for personal belongings in the gym.
