

# Tom Nutt for JCR Treasurer

*Proposed by:* Alex Hanson

*Seconded by:* Philippa Geering

I'm a second year studying economics. I currently partake to a large extent in college as a sportsman, being the vice-captain of the football team, and having represented Downing at both cross-country and athletics. I am also involved with the Mathias society.

As treasurer, my role would include controlling the income and expenditure of the JCR, as well as representing you, as students, to the DCAC.

## Aims:

- **Negotiate** with representatives of the college to ensure that the inevitable increase in rents and other costs is both reasonable and in the best interest of the student body
- **Investigate** the potential for subsidies for sport and other activities at a university level
- **Improve** transparency with regards to college bursaries available to members of the JCR, and provide support for students wishing to take advantage of these
- **Quick** reimbursements and responses to any questions/queries

## Why Me?

- Heavily involved with many aspects of college life, so can offer a broad range of perspectives and present a fair representation of the student voice on the financial committee
- Highly committed team player and prepared to take a firm stance to ensure you are represented fairly
- Organised and hard-working
- Mathematically competent and highly proficient with spreadsheets which will enable me to deal successfully with the Committee's finances
- Friendly and approachable
