**i. Present**

Amy Froomberg (President), Sara Lloyd-Jones (Vice-President), Jamie Saunders (Treasurer), Ali Williams (Services ), Edward Taylor (Ents).

**ii. Apologies**

Ollie Fielding (Welfare), Adrien Motte (Comms), Laura Bellinger (Academic Affairs)

**iii. Griffin Editor elections**

Quick discussion about the possibility that no one would run for Griffin Editor. AF said that we would then need to pull together as a committee and work with the sub-committee to get an issue out this term regardless.

**iv. Constitutional Changes**

A discussion about various aspects of the constitution and structure of the JCR committee that we though needed changing:

a) The date of the Budget/Year end accounts needed to be discussed with the College Accountant JS.

b) The possibility of allowing two people to run for Ent.s officer (as with Freshers' reps) as it is a large job for one person ET

c) A re-shuffle of the welfare and equal opps positions as they currently had blurred boundaries AF - to discuss with full committee at next meeting.

d) A change to the constitution on the matter of non-exec by-elections, SLJ believed holding a full day of voting for a non-exec position was not always necessary, and that there should be flexibility surrounding this.

All proposed changes were very much in the ideas phase and would need to be discussed with some of the Fellowship, and pass at open meeting before being put into place.

**v. Open Meeting: Ball Tickets**

JS and AF noted that the ball had agreed to allow two ball tickets to be raffled at the next open meeting, under the conditions that they were non-transferable and that they would not go to a JCR or MCR Committee member.

**vi. Any Other Business**

No other business.
